The repurchase program will commence on or about June 3, 2019. This share repurchase program follows the completion of the previous repurchase program during which the Company repurchased a total of 1,000,000 shares of its common stock at a weighted average price of \$16.54 per share. Any repurchased shares will be treated as authorized but unissued by the Company. The repurchase program may be suspended, terminated or modified at any time for any reason, including market conditions, the cost of repurchasing shares, the availability of alternative investment opportunities, liquidity, and other factors deemed appropriate.
